## **New Jersey Bone Marrow and Umbilical Cord Blood Donation Awareness Month**

### **CALENDAR LISTINGS**

#### **#1**

Want to know Lisa Valastro's recipe for protecting her family's health? This mother of four and wife of TLC's "Cake Boss" says giving her children a healthy foundation started with saving their cord and placenta blood stem cells. Join Lisa for a pre-Mother's Day webinar on Friday, May 11 from 11am-noon (eastern). Get your questions answered. Learn about the potential of regenerative medicine. Learn if family banking or public donation is right for you and make an educated choice for your family. The webinar is presented by LifebankUSA®, the company leading the development of new medical possibilities for your children's stem cells, and Save the Cord Foundation. Sign up today as space is limited: [cordbloodmamalogue.webex.com](http://cordbloodmamalogue.webex.com).

#### **#2**

Lisa Valastro, wife of America's favorite TV baker and a mother of four, has one piece of advice for expectant moms: save your babies' cord blood! Find out more when Lisa hosts a pre-Mother's Day webinar called "What Every Mama Needs To Know About Cord Blood Banking" on Friday, May 11 from 11am-noon (eastern). This online "mama-logue" is supported by LifebankUSA® and is being presented with Save the Cord Foundation. Sign up today as space is limited: [cordbloodmamalogue.webex.com](http://cordbloodmamalogue.webex.com).

#### **#3**

Calling all moms and moms-to-be. If you are thinking about saving your newborn's cord blood stem cells, you won't want to miss a special pre-Mother's Day webinar being held Friday, May 11 from 11am-noon (eastern). It is hosted by Lisa Valastro, wife of TLC's "Cake Boss," and a mother of four. Find out everything you need to know to make the informed decision that is right for you. This includes: why Lisa and Buddy banked, what cord blood bank they selected, criteria you may want to consider, if family banking or public donation is right for you and lots more. "What Every Mama Needs To Know About Cord Blood Banking" is supported by LifebankUSA® and presented together with Save the Cord Foundation. Sign up today as space is limited: [cordbloodmamalogue.webex.com](http://cordbloodmamalogue.webex.com).
